MARC J. SANTOS, ESQ.  
CLERK/MAGISTRATE  
BRISTOL, ss.

**COMMONWEALTH OF MASSACHUSETTS**

**SUPERIOR COURT  
BRCR2013-0983**

**COMMONWEALTH**

**vs.**

**AARON HERNANDEZ**

**IMPOUNDMENT ORDER**

For good cause, the Court has ordered the following very limited redactions:

1. Private and personal medical information from the transcript of communications with or about one seated juror who was excused for health reasons; and
2. Other private, personal information in the voir dire transcripts that were requested by the potential juror to remain private and which the court has found merits remaining private and any communication with or about a juror's request that such information remain private.

Given the type of information for which privacy was requested and the limited nature of the redactions, the privacy interests involved, the Court finds there to be a substantial interest in maintaining the privacy of such communications.
